

ESTUDIO CERISOLA®

AQUILA V/ DUAL CUBE AND OCTAHEDRON

EC_LE_CCECP_AQU_VA_18

This limited edition piece is fabricated in orange valchromat, an innovative material that combines the natural features of wood with the brightness of colours.

Mathematically, this figure shows the dual relation between the cube and the octahedron. Pieces are cut with CNC precision, the rest of the processes, from the assembly of the pieces, to the polishing and the final finish in natural oil are carried out manually.

DESIGNER	Pedro Cerisola
YEAR	2017
EDITION	Limited to three pieces
DIMENSIONS	Ø 41 cm / Ø 16.1 in
MATERIAL	Valchromat
LEAD TIME	3 - 4 weeks
PRICE	USD \$ 3'800.00
